

Remembering Jerry Weisman

AND ENSURING HIS LEGACY

Jerry Weisman was perhaps one of the most prolific children's illustrators of the 20th Century. During a 43-year career with Highlights for Children, his artwork appeared in 500+ issues of the magazine, reaching more than one million kids each month.

Join Jerry's friends and family in honoring him at the Highlights Foundation.

By creating the Jerome Weisman Art Studio, library display, and fortifying the Jerome Weisman Scholarship Fund, we ensure Jerry's legacy for years to come—supporting future generations of illustrators who inspire children through art and story, just like Jerry did.
